

Welcome

Welcome to the South Powers Extension Planning and Environmental Linkages (PEL) Study and Access Control Plan (ACP) Virtual Public Open House.

This presentation allows you to take a virtual walk through the Open House exhibits at your own pace to learn more about the South Powers Extension corridor between Mesa Ridge Parkway and I-25.

The Virtual Open House is your opportunity to:

- Learn about the history of this corridor
- Understand the benefits of a PEL Study and ACP
- Review the project timeline
- Review the existing conditions in the region
- Review the Vision for the corridor and the Reason for the project
- Provide comments on the recommendations of the study.

Department of Transportation

Pikes Peak Area
Council of Governments
Communities Working Together

Helpful tips for first-time virtual meeting attendees:

1. Use your mouse, or finger if you are using a device with touchscreen display, to pan around the room to the different exhibits.
2. Click on the informational button (blue square with the letter i) to learn about what information is presented in that exhibit (see example image)
3. Review the information being presented at each exhibit by clicking on the other blue button at each exhibit (see example image).

Thank you for visiting our virtual open house!
We look forward to hearing from you.
